## PRESS RELEASE

London, May 31<sup>st</sup>, 2017

### **Value Creation is About Individual Stories**

- **We need to work harder in this environment to find them, says Advent International's Jan Janshen**

"We don't have a crystal ball," Jan Janshen, Managing Partner at Advent International tells Pantheon's Helen Steers. "So instead we look for companies with interesting development potential under several scenarios. The macro environment influences but doesn't change our investment strategy."

Watch the Conversation between Jan and Helen in which they discuss Advent International's global, sector-focused investment model and how the firm identifies value creation opportunities that can deliver results despite arguably high entry prices and high leverage levels.
