PRESS RELEASE

London, July 30th, 2016

Pantheon's 2016 Responsible Investment Transparency Report Now Available

As a signatory of the United Nations' Principles for Responsible Investment ("PRI"), Pantheon is committed to promoting and adhering to sound ESG risk management within the industry.

For the fourth consecutive year, Pantheon has participated in the annual PRI Assessment. The PRI Reporting Framework identifies where we have excelled in our management of ESG issues, and provides us with areas in which we can enhance our internal framework and policies to further protect the interests of our clients.

The resulting Transparency Report allows us to communicate with both investors and peers in the industry on our responsible investment activities over the past 12 months and any upcoming ESG developments within the firm.

Pantheon's 2016 report is available on the PRI website:
